Professional Crop Producers' Conference

Attention all crop producers:
Commodity groups are joining
forces to combine four conferences into one great program,
bigger and better than ever!

The Pennsylvania Corn Growers Association, the Pennsylvania Soybean Promotional Board, the Pennsylvania No-Till Alliance, and the Pennsylvania Forage and Grassland Council are excited to announce the first annual Professional Crop Producers' Conference.

This collaborative effort is a unique educational experience geared to provide practical information that can be taken home and used by each member of your production team.

Don't miss this exciting opportunity to meet other producers and get important information on innovations that will help improve productivity and profitability!
